

**RB V2025.0.000 – Change logs**  
**LRMF**  
**2/24/2025**

**General revised on all LMCC/LMCI/LMCV**

- Revised “HERS” to “ECC”
- Revised the year in mockup footer – “2022” to “**2025**”
- Please note that we have updated the top section of the form’s layout to comply with ADA requirements. All heading and note text have been moved out of the table. There will be no changes to the report generator layout.

| LMCC          |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |

## LMCI

- removed ~~HERS~~ from section's name
- A10 - revised pseudo code

### Section A2

- removed ~~HERS~~ from section's name
- A2.07– revised pseudo code
- removed ~~HERS~~ from section's name.

### Section B

- removed ~~HERS~~ from section's name.

### Section B2

- removed ~~HERS~~ from section's name.

### Section C

- removed ~~HERS~~ from section's name.

### Section D

- removed ~~HERS~~ from section's name.

### Section F

- F03 – revised the some of the static text
- F04 – revised the some of the static text
- **F05 – new static text requirement**

### Section G

- removed ~~HERS~~ from section's name
- G13 – revised pseudocode

### Section H

- revised the section's name to "Compact Hot Water Distribution (RA4.4.6)". Removed (~~CHWDS~~)

### Section I

- removed ~~HERS~~ from section's name.
- Added reference "**RA3.6.9**" to section's name

### Section J

- revised the section's name to "Verified Pipe Insulation **for Central Systems** (RA3.6.2)", removed ~~HERS~~
- J01 - revised pseudo code
- **J02 - new**

### Section K

- revised the section's name to "Verified **Central** Parallel Piping Requirements (PP-H) (RA3.6.4), removed ~~HERS~~
- revised top pseudo code

### Section L

- revised the section's name to "**Central** Parallel Piping Requirements (RA4.4.4), removed (~~PP~~)
- Top note - revised pseudo code

### Section N

- revised top pseudo code
- **N04 - deleted**

### Section O

- revised the section's name to "Recirculation Non-Demand Controls Requirements (RA4.4.8)". Removed (~~R-ND~~)

### Section P

- revised the section's name to "Demand Recirculation; Manual Control (RA4.4.9)/Sensor Control Requirements (RA4.4.10)". Removed (~~R-DRmc~~) and (~~RDRse~~)
- P03 – revised the static text

### Section Q

- removed ~~HERS~~ from section's name
- revised top pseudo code
- Q01 – revised pseudo code, replaced HERS with **ECC**
